Letter Concerning Notice to File Missing Parts

SIR:

This application was filed on September 29, 2000 without a declaration. On October 13, 2000, a Declaration and Power of Attorney (and a Petition to Correct Inventorship) was filed along with authorization to charge any fees to a deposit account. Subsequently, on December 6, 2000, a Notice to File Missing Parts was mailed by the Office. Applicant's submit that such was in error, since the declaration was already on file, with an authorization to charge any amounts due. It is not clear if the fee of \$130 was not charged when the declaration was filed. Applicant's believe that, since the declaration and authorization were timely filed, there should be no extension fee due. However, the Office is once again authorized to charge the fee for late filing of the declaration, if it has not been charged and any other fees to deposit account 11-0600. A copy of the Notice of Missing Parts, along with the papers filed on October 13, 2000 is enclosed.
